NEW YORK STATE STUDENT IDENTIFICATION SYSTEM

How do we keep track of students in SIRS?

**New
York
State

System**

Each student is identified with a 10-digit number when the student first enters the system.

The Match Game

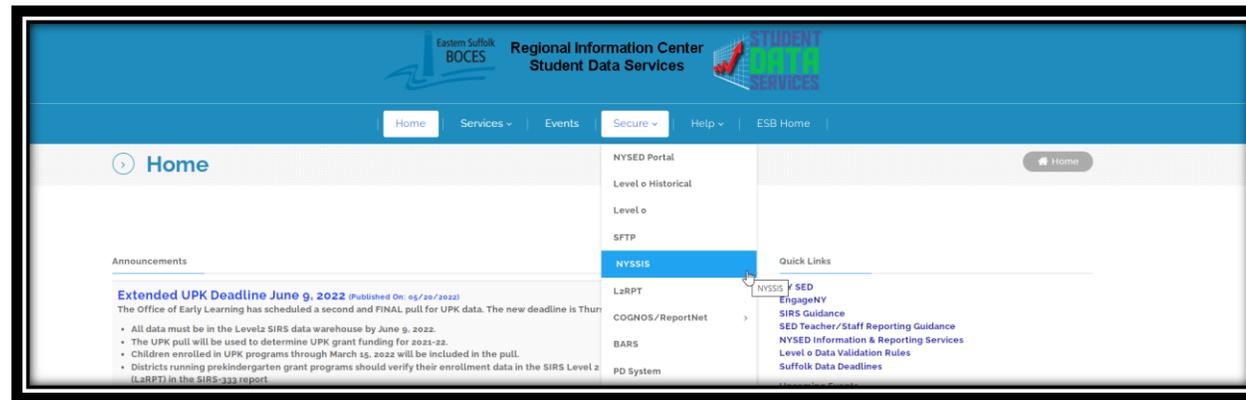

- ▶ New enrollments are sent up to Level 2 for either a new number or to find a match
- ▶ It can take 2-3 days to get a NYSSIS ID
- ▶ If the system finds a close match, the district is notified to that they have a student in the near match queue
- ▶ Someone in the district has the responsibility to login to NYSSIS and clear the queue

Time is ticking...

- ▶ Without a NYSSIS ID **NO** data will move to Level 2
- ▶ **DO NOT wait until the deadline week to enter new enrollments**
- ▶ If a new student does not have a NYSSIS ID by August 17th, no data will be reported for the year
- ▶ Without a NYSSIS ID by August 17th, **no** data for the student will be available in Level 0 Historical for corrections
- ▶ Without a NYSSIS ID, anyone in Special Ed Events will not be reported

NYSSIS Access

- ▶ NYSSIS Link can be found on datacentral.esboces.org
