The New York State Seal of Civic Readiness (NYSCR) recognizes high school graduates who have attained a high level of proficiency in civic knowledge, civic skills, civic mindset and civic experiences. Students who receive a NYSCR must be reported with Program Service Code 8313 — Received Seal of Civic Readiness in the year in which they complete all requirements for a Regents diploma, even if the criteria for receiving the NYSCR were met in a prior year. Districts will include Program Service Code 8313 on the student's transcripts to indicate the earning of the NYSCR. This pilot program begins in September 2021 and, pending the success of the pilot, the NYSCR is projected to an option for all interested districts in the 2022-23 school year.
