Subject: DRAFT Regents Examination Schedules for January, June, and August 2022

Attached for you and your colleagues to review are DRAFT Examination Schedules for the January 2022, June 2022, and August 2022 Regents Examination periods. The draft examination schedules were derived from test administration dates listed in the "[Final Dates for the January 2022, June 2022, and August 2022, Regents Examination Periods](#)" updated July 2021. These draft schedules include all Regents Examinations to be administered during these examination periods. Please share the draft schedules along with this memorandum with appropriate school officials in your schools/districts. School personnel are asked to consider these draft schedules carefully and to send feedback to the Department at [emsctesting@nysed.gov](mailto:emsctesting@nysed.gov) by no later than August 19, 2021.

The Department's guidelines for developing examination schedules are provided at the bottom of the memorandum. Please review these guidelines when considering the draft examination schedules. Proposed schedule revisions that adhere to the guidelines listed below and are received by August 19, 2021 will be considered. School officials proposing a change in these schedules are asked to be explicit about the revised date and session they propose instead for an examination they recommend be scheduled differently from the date/time shown in the draft. The Department is especially interested in how any suggested revisions to these schedules may minimize the incidence of English Language Learners and students with disabilities taking more than one Regents Examination on the same day.

#### GUIDELINES FOR DEVELOPING EXAMINATION SCHEDULES

- The examinations are scheduled so that most students will not have to take more than one examination on any one day. For this reason, some of the examinations within the same subject area (such as social studies or science) are scheduled for the same session or day.
- The examinations are scheduled to maximize the amount of time available for scoring of the examinations.
- The date and time for the debut administration of the Regents Examination in U.S. History & Government (Framework) cannot be changed. The earlier administration of this new examination on Wednesday, June 1, 2022 is to allow time for score collection and standard setting in order for the conversion chart to be posted by the Rating Day, June 24.
- Reminder: The first administration of the new Regents Examination in United States History and Government (Framework) will be administered in June 2022. There will be no Regents Examination in US History and Government for students completing courses in January 2022. See [January 2022 Regents Examination in United States History and Government](#) for more information.
