Reshaping the Future

Eastern Suffolk BOCES
Educational Services That Transform Lives

- Understand the communities and students that we serve
- Take the lessons we have learned over the last two years
- Continue to provide high quality, well rounded, educational programs
- Create multi-year plans utilizing the state aid we have been allocated and promised
- Address long term cost drivers and outdated mandates

Legislative Priorities

Increasing Flexibility In Use of Fund Balance and Reserve – providing school districts with the ability to save and borrow from their reserves. Borrowing from reserves should not be tied to repayment with interest.

APPR Adjustments – We agree high-quality education is critical, yet in the midst of the COVID-19 challenges, we recommend suspending AND revamping the APPR process through the pandemic.

Hiring Shortages/Educator Diversity – streamline aspects of teacher certification, support initiatives to relieve hiring shortages and support educator diversity, temporarily remove earnings cap

Internet Connectivity – Remove the inequities in internet access by supporting the Governor's "Connect All" initiative.

Priorities (continued)

English language learners – Modify requirements under Part 154, including increasing the grade span requirements for teaching of English Language Learners to be consistent with those of Special Education.

Thoughtfully review the Foundation Formula - With the full funding of Foundation Aid in view, we support research leading to a thoughtful review of the formula that was enacted in 2007.

Amend the "Wicks Law" to increase the project cost threshold, and to allow school districts to enter into Project Labor Agreements for school construction work. Wicks Law requirements unnecessarily cost school districts 20% to 30% more on construction projects.

Long Past Due Modifications to the Tax Levy Cap

- Establish a fixed 2% tax levy cap
- Exclude expenses related to school safety, security, and COVID-19
- Exempt the cost of new government mandates
- Exempt the ever-burgeoning costs of health insurance
- Eliminate the possibility of negative tax levy caps
- Include properties covered by PILOTs in the tax base

Eastern Suffolk BOCES
Educational Services That Transform Lives

What We Need to Serve Our Collective Communities

- Ongoing collaboration with our legislators
- A recognition of our changing needs
- Sustainable funding that supports the changing needs for the future of Long Island students

Reporting ELL & Immigrant Students for Title III Funding

- LEAs review ELL counts by district and charter school in Level 2 of the Student Information Repository System (SIRS) using the SIRS-652 “Annual Title III Allocation ELL and Immigrant Count” L2RPT report
- Data will be refreshed weekly, based on the previous Friday’s data submitted to SIRS. If errors are found, LEAs must make corrections to inaccurate public and charter school student data in their local student management systems and ensure that the revised data are loaded into Level 2 of the SIRS by June **TBD**
- Local Level 1 data centers will require data to be submitted earlier than June **TBD** in order to allow sufficient time for processing.
- **Based on the 2021 ELL/Immigrant Memo, We are waiting for the updated memo to be released**

- Districts should be actively checking their ELL & Immigrant counts

NYSESLAT –Quality Control

- Except for Level 1-Kindergarten-each level has **3** labels, one label for each booklet that the student writes in
- Make sure to match the label to the correct student name
- ALL sheets must be returned
- Anyone who used an extra sheet, must be in Level 0-demo, enrollment and programs
- When returning sheets you can make 1 big pile or separate them into sheets 1, 2, 3
- Count the sheets not the name on the rosters

Quality Control Reminders

- Labels go on the front of the books not the back-Metritech labels go on the back
- ONLY #2 Pencil-no markers, highlighters or gel pens
- Clip or staple class rosters when returning them to us
- Verify Not Tested Reason codes-make sure to erase absent bubble when the student takes a make-up
- If the student left the district after the Speaking session, there is no bubble that handles that situation

Science Assessment

- Science has 2 sessions-Written and Performance
- Written has 2 parts-multiple choice and long answer-1 Absent bubble
- Performance has 3 stations-1 Absent bubble
- Make sure you have arranged for scoring of both Written-Part 2 and Performance
- If you are scoring in district, ALL bubbles must be completely filled in!

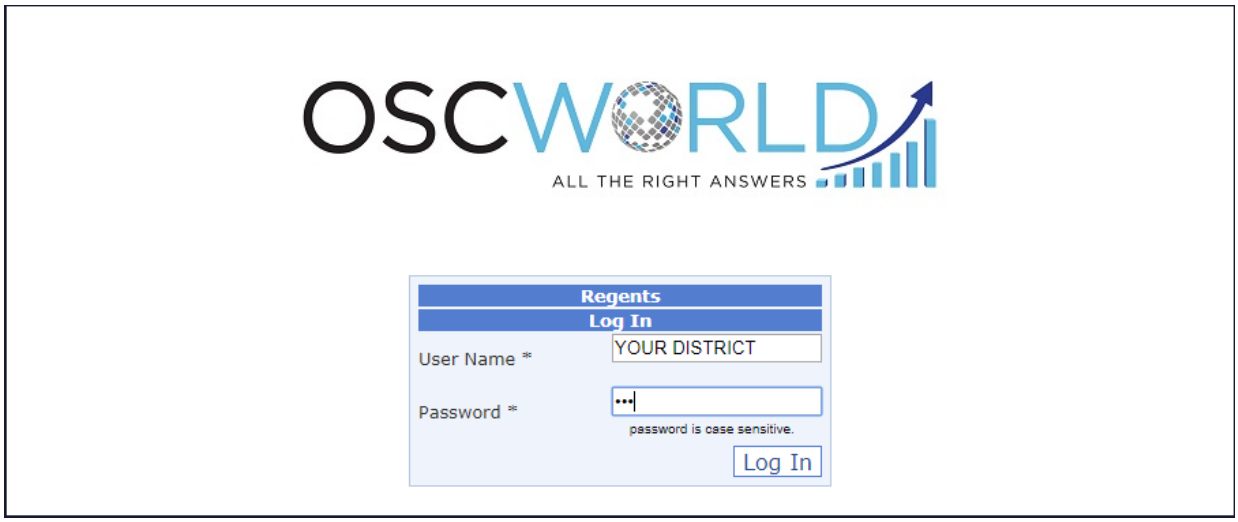
BATCH TRACKING APPLICATION INSTRUCTIONS

Go to the Website http://status.oscworld.com and select “Regents Scanning Solution Batch Status”. This can also be accessed through our website by using the dropdown under the “Secure” tab and selecting “Batch Tracker”.

You will be brought to the login page.

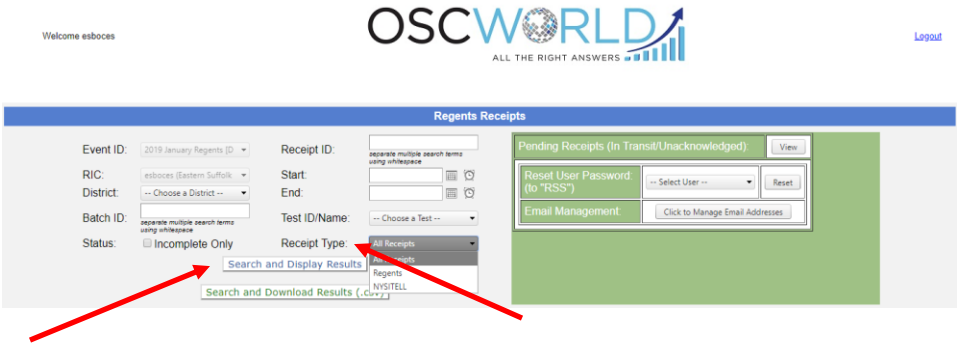
Login with the username and password for the scanner which you used to scan your sheets.

If this is the first time you are logging in on the scanner:
The User Name will be the EASE login located on the scanner label.
The Password will be RSS (case sensitive).

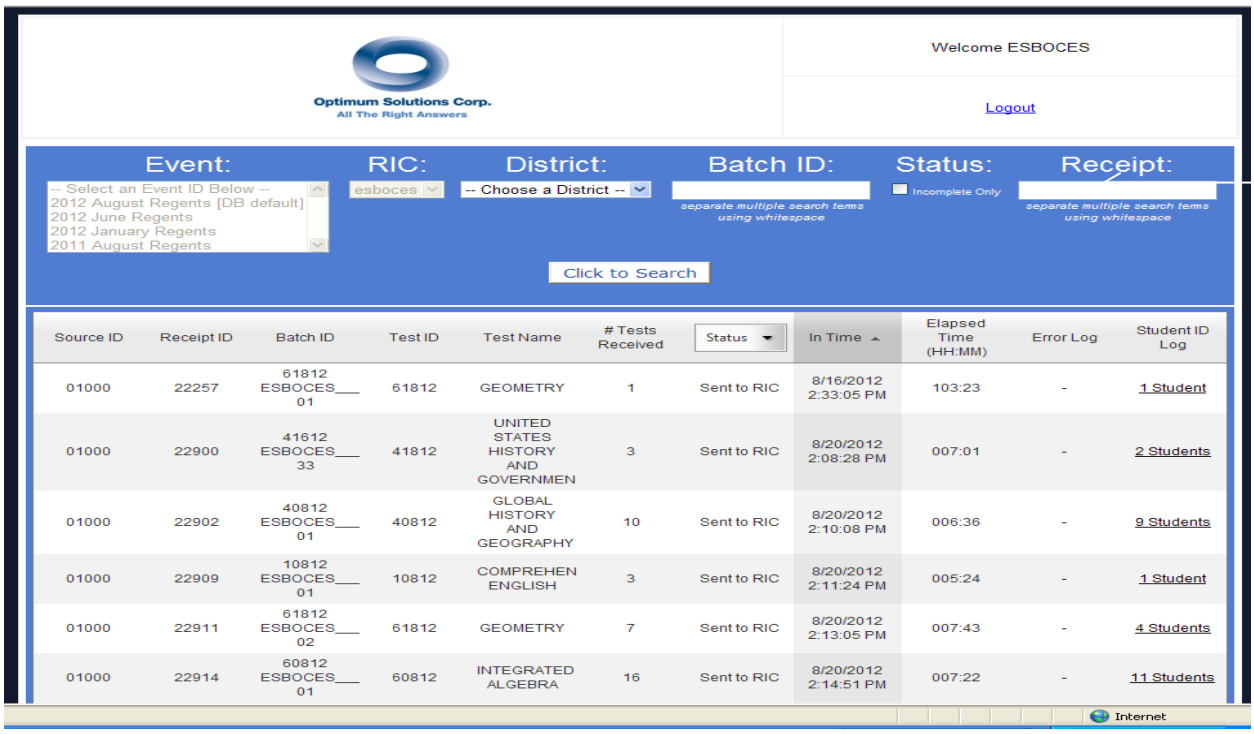


You will be required to Create New Password and Confirm New Password to gain access to the site.
If the new Password is lost, contact ESBOCES and it will be reset to RSS.

In the dropdown under “Receipt Type”, select “Regents”, then click on “Search and Display Results”.



Districts will now see a listing of their scanned batches.



The Batch ID displays the batch name.
Test ID displays the 5 digit test ID being scanned.
Test Name displays the name of the test being scanned.
Test Received is the number of tests initially received.
Status displays the current status of the batch as it makes its way through OSC's Workflow. The following status values may be shown:

Received	: The batch has been received at OSC
Processing	: The images are being analyzed by the OSC software
Processed	: Analyzing is complete
Cleaned	: The first pass of manual data capture is complete
Verified	: The second pass of manual data capture is complete
Finalized	: A data file has been readied and any error notifications have been sent
Sent To RIC	: Data file(s) queued for ftp transmission
Deleted	: The batch has been deleted. Contact Student Data Services.

In Time lists the time the batch was received at OSC.
Elapsed Time lists the time it took to send the data to the RIC or the time that has elapsed since the batch was received.

The **Error Log** field will present a link to a document that contains a description of the errors associated with the batch. The link will be available only when errors exist in the batch and the link will display the number of errors.

Types of errors

*Missing student ID for Registration ID XXX	When the student ID is missing or is not 9 digits	Find the sheet, add or fix the student ID and re-scan
***At least one** constructed response item left blank for Registration ID XXX	A score bubble is missing on the **back** of the answer sheet. This is a **teacher** score, not a student Multiple Choice bubble	Find the sheet, fill in the missing bubble(s) and re-scan Check **all** score bubbles – **more than one** may be missing
*At least one constructed response item multi-punched for Registration ID XXX	There is a **double bubble** on the **back** of the answer sheet. This is a **teacher** score	Find the sheet and cross out the incorrect score bubble and re-scan
Mismatched Registration IDs (XXX, YYY)	An undetected double feed got through or the front and back registration ID numbers are different	Find the sheets in question and re-scan
Mismatched Test IDs (XXX, YYY)	If the test IDs are different on the **front and back** an undetected double feed got through with 2 different subjects Eg. a Global History sheet **front** with a US History **back**	Find the sheets in question. Pull and re-scan with the appropriate batch
Incorrect test (XXX) for student (YYY)	The wrong test type is detected in the batch. Eg. a US History sheet is in a Global History batch	Find the wrong sheet, take it out of the batch and re-scan it with the appropriate batch. If the others were scanned, scan it by itself
Multi Language for Registration ID XXX	More than one language code was bubbled in	X out the incorrect code and re-scan

Step 3

NYSED Updates

May 11, 2022 DDC Meeting

NYS Science 5/8 Testing 2024

- The Elementary- and Intermediate-level Science Tests will be administered in Grades 5 and 8, in Spring 2024
- In order to prepare for these tests with authentic, hands-on laboratory experiences, students will participate in a series of required activities called *Investigations*
- Principals will be able to access and download the *Investigations* files using the exam ordering portal through
- Copies of the Student Directions and Student Answer Packets in alternate languages and Unified English Braille may be requested by contacting the Office of State Assessment at emscassessinfo@nysed.gov

NYSAA 1% Cap Justification

- All LEAs exceeding 1.0 percent (See Attached Spreadsheet) must provide information justifying the need to assess more than 1.0 percent of their students with the NYSAA
  - The NYSAA Justification and Assurance form is available in the IRS Data Exchange (IDEx)
  - The LEA's justification must be based on analyses, including data, to identify possible root causes and factors contributing to the LEA exceeding the 1.0 percent threshold
  - 1% Justification Resources
  - The completed form must be submitted via IDEx no later than **June 17, 2022**

Update on Remote Instruction

- Expand the use of remote instruction due to emergency closures
  - NYSED has expanded the list of acceptable reasons for remote instruction
- An updated definition of Remote Instruction
  - Remote instruction means instruction provided by an appropriately certified teacher who is not in the same in-person physical location as the student(s)
- Remote instruction **shall encompass synchronous instruction** provided through digital video-based technology and **may also include** asynchronous instruction intended to **complement** synchronous instruction

Update on Remote Instruction (Cont.)

- The addition of remote instruction to district/school safety plans
  - Starting with the 2023-2024 school year district-wide school safety plans shall include plans for the provision of remote instruction during any emergency school closure
  - The public will have an opportunity to provide feedback on such plans for remote instruction prior to their adoption School districts must accept public comment at least 30 days prior to their adoption
  - Districts must convene at least one public hearing that allows for the participation of school personnel, parents, students and any other interested parties

Update on Remote Instruction (Cont.)

- Remote Instruction Emergency Plans will include
  - Policies and procedures to ensure computing devices will be made available to students or other means by which students will participate in **synchronous** instruction
  - Expectation that asynchronous instruction is **supplementary** to synchronous instruction
  - A description of how instruction will occur for those students for whom remote instruction by digital technology is not available or appropriate
  - A description of how special education and related services will be provided to students with disabilities, in accordance with their IEPs

- Districts/Schools must survey students and parents to obtain information on student access to inform the emergency plan expectations for school staff as to the proportion of time spent in synchronous and asynchronous instruction
- The Student Digital Access Survey (Formerly the Student Digital Equity Survey) will be a yearly data submission no later than June 30
  - Beginning in the 2022-2023 school year, each chief executive officer shall report to the Commissioner, no later than June 30 of each school year

Financial Transparency 2020-21 Release

- **The Financial Transparency Report** provides information to the public of the per pupil expenditures for charter schools, traditional public schools as well as district averages that may be higher or lower than an individual school
  - This report replaces the Fiscal Transparency report from past iterations of the School Report Card
- The report provides two financial views:
  - The first view provides the total spending of the per pupil expenditure that is being spent on instruction and administration
  - The second view provides the same expenditures reporting in view one but is disaggregated by local, state, federal, or other revenue source.
  - The report also provides details of the per pupil spending in selected program areas at the school and district levels. The report publicly displays other spending excluded from the per pupil expenditures CES fulltime, services provided to nonpublic or charter schools, prekindergarten

CEIS/CCEIS

Coordinated Early Intervening Services

and Comprehensive Coordinating Early Intervening Services

CEIS vs Comprehensive CEIS – What's new with the reserve?

CEIS

- **Voluntary** reserve
- Not significantly disproportionate
- Children in K-12
- Children without disabilities/IEPs
- Must track and report students who receive the services

Comprehensive CEIS or CCEIS

- **Required** reserve
- Identified with significant disproportionality in identification, placement, and/or discipline
- Children **ages 3 up** through grade 12
- Children **with or without IEPs** but not exclusively children with disabilities
- Must track and report students who receive the services

Comprehensive CEIS (CCEIS) Defined by Regulations

A broad range of activities that include:

- professional development and
- educational and behavioral
- evaluations, services, and supports,
- e.g. functional behavioral assessments, behavioral interventions plans, and positive behavioral interventions and supports.
- ADDRESSING FACTORS leading to disproportionality
  - Examples:
    - Lack of access to quality instruction;
    - economic, cultural, or linguistic barriers to appropriate identification or placement;
    - lack of access to screenings.

Comprehensive CEIS (CCEIS) Defined by Regulations

- As part of implementing comprehensive CEIS, an LEA must identify and address the factors contributing to the significant disproportionality. (81 FR 243, pg. 92378)
- New § 300.646(d)(1)(iii), requires an LEA, in implementing comprehensive CEIS, to address any policy, practice, or procedure it identifies as contributing to significant disproportionality, including any policy, practice or procedure that results in a failure to identify, or the inappropriate identification of, a racial or ethnic group (or groups). (81 FR 243, pg. 92378)
- The LEA has discretion as to how to address the policy, practice, or procedure, including by eliminating, revising or changing how it is implemented, as long as it does so in a manner consistent with the requirements of the IDEA and its implementing regulations. (See 34 C.F.R. §300.646(d)(1)(iii).)
- New § 300.646(e) clarifies that *LEAs that serve only children with disabilities* are not required to reserve IDEA Part B funds for comprehensive CEIS. (81 FR 243, pg. 92378)

Comprehensive CEIS (CCEIS)

Amended§ 300.646(b) (2) (new § 300.646(d))

***Who may receive Comprehensive CEIS* (when an LEA has been identified with significant disproportionality)?**

- Children from age 3 through grade 12, regardless of whether they are children with disabilities, and,
- May not serve only children with disabilities
- The LEA may distribute the IDEA Part B funds reserved for comprehensive CEIS to its schools to carry out comprehensive CEIS, and the LEA retains discretion about how to allocate those funds within the LEA. As such, if an LEA determines that it is best able to address the factors contributing to the identified significant disproportionality by providing a portion of its reserved funds to a particular subset of schools for comprehensive CEIS, it is permitted to do so.
- In contrast, a district that ***voluntarily*** reserves CEIS may not serve children younger than Kindergarten or children with IEPs with the funds.

Comprehensive CEIS (CCEIS)

Amended§ 300.646(b) (2) (new § 300.646(d))

Implications for IEPs

- If comprehensive CEIS funds are used to provide services that address factors contributing to the significant disproportionality identified by the State, then the fact that those services are also identified in some children's IEPs does not make the services impermissible or the expenditures improper.
- However, we generally would not expect that using comprehensive CEIS funds for the purpose of providing services already identified on a child's IEP would address factors contributing to the significant disproportionality identified by the State.
- An LEA may use comprehensive CEIS funds for functional behavioral assessments and behavioral intervention plans, but only to the extent that it is doing so to address the factors identified by the LEA as contributing to the significant disproportionality identified by the State.

CEIS Activities Defined by Regulations [34 CFR 300.226(b)] [20 U.S.C. 1413(f)(2)]

- Professional development for teachers and other school staff to enable such personnel to deliver scientifically based academic and behavioral interventions, including scientifically based literacy instruction, and, where appropriate, instruction on the use of adaptive and instructional software; and
- Providing educational and behavioral evaluations, services, and supports, including scientifically based literacy instruction.
- When district voluntarily reserve EIS funds

CEIS Guidance

Who may receive CEIS - a voluntary reserve?

- Children who are not yet in kindergarten may not receive CEIS.
- Children with IEPs may not receive CEIS
- An LEA determines which students need additional support.
  - For example, an LEA might consider factors such as performance on reading or math assessments, disciplinary referrals, or suspension and expulsions.
  - If an LEA chooses to use CEIS funds to support school-wide interventions, it must be able to provide documentation that CEIS funds were used to provide services only to students in need of additional support and that other funds were used to fund the school-wide intervention for special education students and students who do not need additional support.

CEIS Guidance

How should an LEA count and track students who received CEIS when funds are used for professional development or a school-wide intervention initiative?

- It would be appropriate for an LEA to count, and subsequently track for **two years**, the number of students in need of additional support who received instruction from personnel who participated in the professional development program.
- **It would not be appropriate to count every student who was taught by these personnel if some of the students were not in need of additional support or were receiving special education services**.
- An LEA should only count the students and the personnel who participated in the professional development program **in the year(s) of or the year(s) immediately after the training**, rather than counting the students and those personnel each year after the training.

CEIS Guidance

How should an LEA count and track students who received CEIS when funds are used to provide behavioral and educational evaluations?

- LEAs may use CEIS funds to provide behavioral and educational evaluations to determine the supports that are needed by students to succeed in a general education environment.
- However, funds may not be used for evaluations that are intended for use in determining eligibility for special education and related services.
- Students who are evaluated to determine the supports necessary for success in a general education environment should be counted as receiving CEIS in the year of or the year immediately following the evaluation and tracked for the following two years.

CEIS Guidance

What are the supplement not supplant requirements for CEIS funds?

- Must be used to supplement State, local, and other Federal funds and not to supplant those funds. This requirement applies to all Part B funds including any used for CEIS.
- In addition, 34 CFR §300.226(e) states that CEIS funds may be used to carry out CEIS aligned with activities funded and carried out under the ESEA if those funds are used to supplement, and not supplant, funds made available under the ESEA for the activities and services assisted using CEIS funds.
