

Title I Monitoring now Includes Part C- Migrant Student Data

This section applies only to LEAs with one or more identified & eligible migratory child located within their attendance area. ESSA Section 1304(b)(3)

✓ Evidence of annual verification of *Agricultural* Migrant Student Data, in consultation with the regional Migrant Education Tutorial and Support Services (METS) program centers.

Evidence: Sign-off from local Migrant Program Director

2. ✓ Evidence that the LEA maintains a current and up-to-date list of all *Agricultural* migrant-eligible students based on official Certificates of Eligibility (COEs) issued by the State Migrant Education Program.

Evidence: List of migrant-eligible students

3. ✓ Identify the practices used by the LEA to screen students upon enrollment for possible eligibility for *Agricultural* migrant education, and to refer such students to their regional Migrant Education program centers for an eligibility determination.

Evidence: Sample Pre-Screening / Parent Survey Form
